ARISE (Mar 27 - Apr 28)
You're probably not going to be a millionaire. But you can be a multimillionaire. The key is to start early and invest wisely. Don't be afraid to take risks. The more you invest, the more you stand to gain. And remember, the only way to lose is not to play at all.

TALENT (Apr 29 - May 10)
Talent is not a gift. It's a skill that can be learned. The key is to practice, practice, practice. Don't be afraid to fail. Failure is just a stepping stone to success. And remember, the only way to lose is not to play at all.

PERFORMANCE (May 11 - May 22)
Performance is not a goal. It's a process. The key is to focus on the process, not the goal. Don't be afraid to take risks. The more you focus on the process, the more you stand to gain. And remember, the only way to lose is not to play at all.

CONCERN (May 23 - May 31)
Concern is not a problem. It's a warning sign. The key is to listen to your concerns. Don't be afraid to take risks. The more you listen to your concerns, the more you stand to gain. And remember, the only way to lose is not to play at all.

LEAD (Jun 1 - Jun 10)
Lead is not a metal. It's a quality. The key is to lead by example. Don't be afraid to take risks. The more you lead by example, the more you stand to gain. And remember, the only way to lose is not to play at all.

VIRUS (Jun 11 - Jun 20)
A virus is not a disease. It's a message. The key is to listen to the message. Don't be afraid to take risks. The more you listen to the message, the more you stand to gain. And remember, the only way to lose is not to play at all.

PEACE (Jun 21 - Jun 30)
Peace is not a state. It's a choice. The key is to choose peace. Don't be afraid to take risks. The more you choose peace, the more you stand to gain. And remember, the only way to lose is not to play at all.
